

Curriculum Outline for a Remote Creative Aging Program

Program Title:

Vision: Describe in one sentence your overall goal for the program.

Objectives: Include art skills participants will learn and project and social engagement goals. What will participants be able to know and/or do?

Participants will:

-
-
-
-
-

Program Description: This is a one-paragraph description that describes what participants will learn. Include themes/topics and art skills that will be taught, and community engagement benefits. This description may be used to market the program.

Culminating Event Description: Include final project goals, social engagement opportunities for audience and students, and overall vision of the event. This description may be used to market the culminating event.

Session Outlines:

Asynchronous activities between synchronous classes supplement the learning and/or offer potential opportunities for social engagement.

- Tip: For creative aging programs, asynchronous activities that boost social engagement may include one-to-one student engagement opportunities (phone meet-ups, discussion boards, office hours with the teaching artist, etc.)
- Asynchronous activities are not mandatory, but encouraged.

Synchronous Session 1 Title:
Skill Building Goal:
Social Engagement Goal:
Brief Description of Class Plans:
Asynchronous Assignment:
Goal:

Synchronous Session 2 Title:
Skill Building Goal:
Social Engagement Goal:
Brief Description of Class Plans:
Asynchronous Assignment:
Goal:

Synchronous Session 3 Title:
Skill Building Goal:
Social Engagement Goal:
Brief Description of Class Plans:
Asynchronous Assignment:
Goal:

Synchronous Session 4 Title:
Skill Building Goal:
Social Engagement Goal:
Brief Description of Class Plans:
Asynchronous Assignment:
Goal:

Synchronous Session 5 Title:
Skill Building Goal:
Social Engagement Goal:
Brief Description of Class Plans:
Asynchronous Assignment:
Goal:

Synchronous Session 6 Title (<i>The Culminating Event</i>):
Skill Building Goal:
Social Engagement Goal:
Brief Description of Class Plans:
Asynchronous Assignment: <i>Example: Send link of recording of culminating event (or link to virtual gallery, etc.) to participants</i>
Goal:
